ABOUT US

Established in 2015, SKYDECOR has been redefining decorative surfacing through innovation, advanced technology, and superior craftsmanship. With a vision to transform modern interiors, SKYDECOR has become a trusted name among architects, interior designers, channel partners, and homeowners who value quality, aesthetics, and reliability.

Backed by state-of-the-art manufacturing facilities in Greater Noida and Hapur, along with a strong PAN India presence, SKYDECOR delivers premium surfacing solutions for contemporary residential, commercial, and institutional spaces. Our focus on modern infrastructure, advanced production technology, and trend-driven designs enables us to create products that combine style, durability, safety, and long-term performance.

SKYDECOR offers a wide range of innovative decorative surfacing solutions, including 1mm+ Laminates, Acrylic Laminates, FR Luvex (Soffitto Panels), and FR Flexi Laminates, designed to meet evolving architectural and interior design needs. Every product is crafted with precision and attention to detail, ensuring exceptional finish, functionality, and long-lasting quality while adhering to modern design trends and safety standards.

Driven by a commitment to innovation, excellence, and customer satisfaction, SKYDECOR continues to strengthen its presence across India and global markets. With a progressive vision and passion for quality, we create surfaces that elevate spaces with sophistication, purpose, and timeless style wherever they are installed globally.

MATTEVA - flexible acrylate sheet is a contemporary expression of surface design, created for the evolving language of modern architecture. Bringing together Satin, Opulent and Metalique finishes, the collection offers a refined palette of matt, metallic, and sparkle surfaces. Defined by purity of colour and understated sophistication, MATTEVA sets a new benchmark in new age laminates, designed to elevate spaces with clarity, balance, and premium appeal.
